Police officer taking statement

Name: **YARROW, Georgina Lee**

Rank: **Detective Senior Constable**

Reg. no.: **4026320**

Region/Command/Division: **SR**

Station **Ipswich CPIU**

Statement:

Georgina Lee YARROW states:

1. I am a Detective Senior Constable of Police and I am currently attached to the Ipswich Child Protection and Investigation Unit.
2. I know the defendant Russell MATHEWS.
3. On the 3rd of February 2019, I had dealings with the defendant in relation to another matter.
4. On the 14th of February 2019, as a result of that matter I was sent a link and advised that the defendant had added me to his 'Haig Report' website. The web site states '*Editor-in-chief: Russell G H Mathews BSc LLB BA*'.

5. I opened the link and looked at the contents of the page and saw the heading in red at the top of the page which read: *'Corrupt Qld Piglet Georgina Lee Yarrow Arrests Me Obscene Object'*. I continued to read what was on the site and saw that the defendant had posted a number of pictures. The pictures depicted a male person I know as Len YARROW and a female I assumed was his wife.
6. The website states *'Since I like to illustrate my pages with photos but do not, at this stage, have a photo of this corrupt f'wit female Georgina Lee Yarrow, from the Yamanto CHILD PROTECTION team 2, but have photos of this corrupt f'wit female's corrupt grandparents Len and Alison Yarrow, [if Alison stayed with a corrupt cop, and let him root her for >50 years, and she did not report his corruption but lived off it, then she is as corrupt], I will include those photos' and 'It is a fair guess that Georgina Lee Yarrow is his grand-daughter ;[one of six grandkids]. One cannot expect that she is unaware of the corruption and how to use it to her benefit. Len would have clued her up on that. She would not last in the police if she tried to expose it. Since she stays, Georgina Lee Yarrow IS CORRUPT'.*
7. I saw that the page then went on to other things that I do not have any knowledge of. I am able to produce a copy of the page layout as it sits today, and only a screen shot of how part of the page originally looked.
- I am able to produce to the court a printed copy of the site as it stands. Item*

8. After reading the initial site I immediately feared violence against myself, my two young daughters and partner. I believed after the defendant's comments about illustrating his pages with photos and posting pictures of Len and Allison Yarrow that the defendant would troll the internet and social media sites and post pictures of myself and my family at a detriment to all of us as this would cause psychological and emotional trauma and potentially physical harm.

9. I immediately changed all of my social media accounts, removed any photographs of myself and requested my immediate family do the same. It was very difficult requesting my children change their social media accounts without giving an explanation, but I feared that if the defendant was prepared to post pictures of people that were not my family that he would post pictures of anyone with the same surname. I no longer felt that I could post any personal pictures on my social media accounts in case the defendant was able to obtain them and use them on his site.
10. I knew that the defendant puts signs up out the front of his dwelling promoting certain views. The defendants dwelling is situated on Brisbane Road, Booval which is a very busy thoroughfare in and out of Ipswich and not far from Booval Fair Shopping Centre, schools and various other businesses and residential properties. I reside and work within the Ipswich area and have done most of my life. I was in constant fear that the defendant would erect a billboard outside of his dwelling with *'Corrupt Qld Piglet Georgina Lee Yarrow Arrests Me Obscene Object'*.
11. Working for the Police as a Detective in the Child Protection Unit and having a sign such as that erected in the front yard of the defendant's property would have been damaging to my career and position as a Police officer.
12. I would drive past the defendants address just to see if he had posted such a sign. I was also searching the defendant's website to see if he had found any pictures of myself or my family or to see if he had updated his web site. I saw that the defendant had updated and changed his web site a few times adding various things to it.
13. I found that there had been another photograph of Len and Allison added and a screen shot of a Facebook conversation which LenAlison Yarrow had commented. I also noticed that the

defendant had added 'This corrupt piglet Georgina Lee Yarrow, from the Yamanto CHILD PROTECTION team 2 is an Accessory to MURDER. The crime of murder has the same consequences as the crime of ATTEMPTED MURDER. All the corruption of the Qld police targeting me since the ASSASSINATION attempt on me on 14th January, 1996 has been as accessories to that attempted murder of myself'.

14. After seeing this addition to his website, I was shocked, I could not believe that the defendant could write such things about me, for something that I had no involvement in.
15. I had also seen on social media that the Courier Mail and QT had written articles about the defendant and the signage and web page. I then started to search the comments on the sites and saw that people were posting and sharing links to the defendant's web site. I took some screen shots in relation to the Courier Mail article.

I am able to produce to the court a copy of the screen shots I took. Item.....

16. By this time, I was completely in fear that someone would post where I lived or post my families names. I started to read through the comments to see if anyone had posted anything about me in fear that someone unsavoury would attend my address and put our lives in danger. I continued to search through any sites that had reported on the defendant looking for comments. This is not something I wanted to do but I felt like I had to know if someone had posted anything that may put my family in any danger.
17. I recall I took a screen shot of the article and sent it to my sister on the 16th of April 2019 and expressed how upset it was all making me feel. I recall my sister called me and attempted to console me at the time.
18. I could not believe what the defendant was writing, it was putting such an emotional strain on me and I was getting upset and felt anxious whenever I heard the defendants name.

19. On the 28th of August 2019, I had to attend court in relation to other matters involving the defendant. I recall I felt anxious about having to see the defendant and concerned that he would somehow be able to obtain a photograph of me and publish this on his web site.

20. I was so fearful of the possibility that someone would provide information and put my family in harm's way I made inquiries with my Officer in Charge in relation to making my home address safer and I made a complaint to the Ipswich Criminal Investigation Branch.
